

CARDIOVASCULAR SYMPOSIUM

SEPTEMBER 12 - 13, 2025

Inova Schar Heart and Vascular

**Falls Church Marriott
Fairview Park**

3111 FAIRVIEW PARK DR, FALLS CHURCH,
VA 22042

INVITATION TO SUPPORT

On behalf of Dr Christopher O'Connor, we would like to request your support of the 2025 Cardiovascular Symposium. This program, now in its 11th year, will be held as an in-person event taking place at the Falls Church Marriott (3111 Fairview Park Dr, Falls Church, VA 2204).

The Cardiovascular Symposium will bring together Inova faculty and experts from other institutions to provide a comprehensive update on areas of critical importance to healthcare professionals who diagnose and treat patients with cardiovascular disease, and contemporary strategies and best practices will be discussed through highly interactive Community Round Tables. The symposium will include sessions focused on prevention, imaging, heart failure, interventional cardiology, cardiogenic shock, electrophysiology and vascular disease.

Helping physicians and healthcare professionals make better informed decisions regarding the care of their cardiovascular patients is the primary objective of this educational program.

Attendees will earn continuing education credit for their participation.

The target audience is cardiologists, cardiovascular clinicians, cardiac surgeons, internists, hospitalists, primary care physicians, fellows and residents in training, advanced practice nurses, nurses, pharmacists, and other medical professionals interested in cardiovascular medicine. The expected attendance is more than 200 onsite. It is a great opportunity to meet and talk one-on-one with faculty and attendees.

Topics for the 2025 edition :

- Prevention and Imaging
- Heart Failure
- Cardiogenic Shock
- Interventional Cardiology
- Electrophysiology
- Vascular
